Troy, OH 45373

[glen.luersman@gmail.com](mailto:glen.luersman@gmail.com)

## SUMMARY

I'm a Fullstack Web Developer in training with a passion for learning and working outside of my comfort zone. I'm currently taking a Fullstack Web Developer Bootcamp through The Ohio State University. I'm looking for an opportunity to join a passionate team in order to contribute and help grow the company to its full potential.

## Tools and Libraries

HTML	Git
CSS	Bootstrap
JavaScript	Node.js
jQuery	Sequelize
MySQL	Express.js
Sequelize	Mongoose
React.js	GraphQL
noSQL	MongoDb

## EXPERIENCE

### Troop 586 Website

<https://troop586.com/>

#### Skills and Tools:

*HTML CSS GitHub*

#### Job & Technology Descriptions

- Constructed a website using HTML and CSS for Troop 586 in Tipp City, Ohio.
- Created forms to accept user input, created header utilizing links to sections and additional pages, created footer with contact form and map with HTML.
- Utilized CSS to style the website.
